

Burenda Angus & Brangus

Permanent Full Time Mixed Farming Position with some cattle work.

Burenda Holdings Pty Ltd owns and operates a 7000 acre property Burenda Angus & Brangus Stud Kaimkillenbun, Dalby Queensland. We farm about 3000 acres and we are seeking an experienced person who is self-motivated and hard-working with machinery and farming skills to become part of the Burenda Team. We will also consider younger applicants who are willing to learn.

The successful applicant will have a passion for agriculture and will need to demonstrate.

- Competence and recent experience in operating farm machinery associated with planting, spraying, harvesting summer and winter crops.
- Experience in welding, servicing and general maintenance of farm machinery.
- Experience in the operation of vertical mixers and loaders would be beneficial.
- Effective communication skills.
- A diligent approach to workplace Health & Safety.
- Attention to detail and pride in their work.
- A willingness to learn and develop new skills.
- A willingness to become part of a team and work effectively.
- A HC truck licence would be essential.
- A basic Ag Chem qualification would be beneficial.
- Cattle handling skills would be preferable.

Reporting to the Manager, this position will be responsible for the day to day farming activities required for the operation of the property.

An attractive remuneration package will be offered, commensurate with experience. A house is available with a work vehicle. The Kaimkillenbun and Bell schools are close by.

Applicants must have Q Fever vaccination or be willing to be vaccinated prior to commencement.

Applications should include a cover letter addressing their suitability to the role and a resume outlining their experience and send to schmidtjk@bigpond.com
