

Farm Manager

Hazeldean Pty Ltd

Farm Manager, Hazeldean Adelong,

Position available July 2021

About Us

We are an Australian owned, family business based at Cooma in south eastern NSW with properties at Cooma and Adelong. Our enterprises include stud and commercial Angus cattle, stud and commercial Merino sheep plus fat lambs and some cropping.

We have an excellent company culture and take care of our people.

The Role

This position becomes available in July 2021. It is a great role for an independent and self motivated person offering excellent remuneration, lifestyle and to be part of a highly reputable and progressive livestock business. As Manager of our Adelong property 'Springdale' you are responsible for setting the annual work programme, budgeting, checking accounts and prices received, monthly stock reconciliation plus all day to day activities of management. Current staff include the manager plus casuals and contractors as required.

Regular contact with Hazeldean management and co-ordinating activities to achieve optimal efficiency within the group is central to this position. Overseeing and organizing casual staff and contractors as required is also a key task as well as ensuring all livestock are performing to their optimum. A comfortable 4 bedroom house and work vehicle is included in the package.

Your Skills & Experience

The ideal candidate must have previous experience with livestock with good commercial acumen and the ability to hit the ground running.

To be successful in the role it's important you can:

- Understand the importance of animal welfare and safe work practices
- Handle stock quietly and gently
- Have a passion for livestock and breeding, soil health and pastures
- Be physically fit and able to meet the demands of the role
- Keep accurate records and monitor stock performance successfully
- Independent self-starter
- Computer literate
