

## **LIVESTOCK OVERSEER**

We are seeking an overseer for a privately owned 42,000 HA property-situated 35km north west of Conargo in the Riverina region of NSW. The successful applicant will be involved in all aspects of a large-scale grazing and breeding enterprise. Property focus is stud and commercial sheep breeding for wool and prime lambs along with cattle backgrounding.

### **The right person for this position will be**

- Reliable, self motivated and energetic
- Experienced in both sheep and cattle husbandry
- Able to organize and direct contract and casual staff as well as being able to work alone
- Able to keep accurate records with attention to detail

The ideal applicant should also be able to take control and manage the property during the managers absence.

The property is situated 80 km form the large regional town of Deniliquin, which has all services with many sporting and social clubs.

A comfortable A/C cottage along with attractive salary package will be provided

Applications, resume and names and contact details of at least two referees should be sent to.

**The Manager**  
**John Lamb Pastoral Co**
