

## **Permanent Fulltime Machinery Operator**

Sunland Cattle Co Pty Ltd specialises in the production of high quality Fullblood Wagyu beef.

We are currently seeking a fulltime competent machinery operator for one of our grazing properties in Central Queensland.

The position involves the operation and maintenance of farm machinery including tractors, dozers and other machinery to develop and maintain the property and some crop farming.

Some cattle work may be necessary.

A relatively new three bedroom home is available and good conditions apply so that work can be carried out efficiently to the benefit of all.

The successful applicant should be able to work within a team environment, have a diligent approach to workplace health and safety, have good communication skills and be able to work under instruction.

If considering employment with Sunland Cattle Co Pty Ltd please email a resume to [paulharris@sunlandcattleco.com.au](mailto:paulharris@sunlandcattleco.com.au) or alternatively contact Paul Harris on 0409 281140.
