Occupational Health Nurse

About Us:

Teys Australia is an innovative Australian food business with home grown pride and global reach. Drawing on more than 70 years' experience in the beef industry, our team of over 4,500 focus their energy and expertise on delivering value to our communities, customers and consumers.

As one of the leading beef processors and exporters in Australia, we are a proud partner to over 7,000 Aussie beef producers and some of the largest names in fresh food retailing in the country. In a joint venture with Cargill, Teys Australia has retained its strong founding family connections and it is this rich heritage that drives our future.

About the Role:

Teys Australia has an exciting opportunity for an experienced Enrolled or Registered Nurse to join the team as our **Occupational Health Nurse** based at our Naracoorte site. This high-volume Occupational Health Nurse role will effectively support and work with operations at the Naracoorte team as it is responsible for the rehabilitation of all its employees.

This role is comprised of assessing and facilitating effective return to work processes for employees, working within industry guidelines, and the company's best practice to ensure seamless rehabilitation. You will be responsible to manage the health centre staff and create/promote services available, assist in first aid routine, emergency and non-urgent medical treatment to all employees.

You will have excellent communication and interpersonal skills to liaise, build rapport and coordinate with stakeholders. You will oversee the cost of the Health Centre, ensure compliance is met, and monitor general day to day operations. Other requirements will include:

- Provide Alcohol/Drug testing;
- Conduct pre-employment medical assessments;
- Rehabilitation and Return to Work Coordinator;
- Participate in providing employees with access to wellness programs.

This is an excellent opportunity to grow your career within a company that fosters a supportive team culture and development opportunities.

About You:

It is **essential** that you have the following experience/skills:

- Current AHPRA registration – Minimum qualification of Enrolled or Registered Nurse;
- Current or willingness to obtain Rehabilitation and Return to Work Coordinator accreditation;
- Current First Aid / CPR certificate and willingness to obtain Occupational First Aid certification;
- Current or willingness to obtain Drug and Alcohol Testing certification;
- Current or willingness to complete audio testing certification;
- Advance computer skills with proven experience in Microsoft Excel and Word;
- Experience in food manufacturing environment (desirable).
