

# Career Opportunity

## Electrician

### About Us:

Teys Australia is an innovative Australian food business with home grown pride and global reach. Drawing on more than 70 years' experience in the beef industry, our team of over 4,500 focus their energy and expertise on delivering value to our communities, customers and consumers.

As one of the leading beef processors and exporters in Australia, we are a proud partner to over 7,000 Aussie beef producers and some of the largest names in fresh food retailing in the country. In a joint venture with Cargill, Teys Australia has retained its strong founding family connections and it is this rich heritage that drives our future.

### About the Role:

Teys Australia are seeking Qualified Electrician to join the Asset Management team based at our Tamworth processing site in New South Wales. - Fault finding and maintaining package machines;
- Installing machines, connect and disconnect.
- Machine Safeguarding
- Data Cabling
- Industrial Refrigeration Electrical systems
- Boiler and Biogas electrical systems maintenance
- Fire Protection Systems monitoring
- Process Monitoring equipment fault finding

### About You:

It is **essential** that you have the following experience/skills:

- Trade qualification CERT III Electrotechnology Systems Electrician or equivalent;
- Current drivers licence;
- Data Cabling Licence
- Forklift, scissor lift and elevated work platform ticket
- Self-motivated, results driven;
- Work in team environment
- Be able to work shift work and be available for overtime work.
- Knowledge of Instrumentation
- Excellent communications and technical skills;
- Ability to develop circuit drawings and read circuit drawings;
- Fault finding experience with VSDs & PLCs;
- Switchboard building experience (Desirable)
- PLC and HMI programming experience (Desirable)
- Fire systems experience (Desirable)
