

The company

TW Pearson and Son is a family owned enterprise operating since the early 1920's, and specialises in beef production. With breeding properties strategically located in Western Australia from Dongara to Esperance, the company aims to take advantage of high rainfall and pristine coastal production locations. The company also operates three NFAS cattle feedlots and two quarantine facilities, along with a growing boxed beef brand which supplies ultra-premium Wagyu and Angus beef globally.

Positions Available:

We are always looking for great people to join our ever expanding group of dedicated staff. If you have a passion for livestock and beef production we would love to hear from you. We are currently accepting applications for the following. We are always looking for the right people, so if you think you would be a good fit for the organisation and have skills outside of the positions listed please contact us to discuss how you might build your career in the beef industry with us!

- Grain Truck Drivers
- Farm Hands (Open to 2nd Year VISA Applicants)
- Compliance Officers
- Feedlot Hands
- General Maintenance
- Livestock Administration
- Property Overseers

Remuneration and Conditions

Competitive Remuneration packages available and will be appropriate to attract the right person within the company's salary scheme, and will be discussed at the interview

Couples are welcome to apply.
