

HERD MANAGER

Riverina Milk, part of the ICM Agribusiness Group is a Freestall dairy situated near Corowa NSW, milking over 2000 cows 3 times daily. We have an opportunity for an experienced, talented and passionate cow person to join our senior management team.

The Herd Manager is responsible for all animal health and reproduction in our year-round calving herd of high performing cows. The livestock division consists of health, maternity, reproduction, and calf work teams with a dedicated and passionate staff core. We utilise technologies such as activity monitoring and automatic drafting in modern facilities to care for some of Australia's finest dairy cows.

We proudly rear all calves on site which ensures we can not only foster the development of elite heifer genetics but also operate a dairy beef enterprise.

Key requirements:

- Large dairy experience, TMR preferable
- The ability to develop people, lead teams, create great culture and deliver consistent performance.
- Well-developed IT skills, DC305 an advantage
- The passion and commitment to achieve exceptional results in a 24 hour 7 day per week operation.

A remuneration package appropriate to a senior management position will be offered to exceptional candidates. To discuss the position further please contact Ruth Sacco on 0400 678 820.

Applications with covering letter and current Resume should be forwarded to:
