

# FARM OPERATIONS MANAGER

## BEACHPORT, SOUTH AUSTRALIA

Located in the Limestone Coast region of South Australia, family-owned and operated, we run a successful large-scale livestock trading business. Cattle trading is the core enterprise, utilising rotational cell grazing systems and regenerative agricultural practices.

This is an exciting opportunity for a reliable, hands-on, and enthusiastic individual, to grow within a progressive business. The Operations Manager will be required to lead a team in day-to-day activities on our 3500ha property and will report to the Owner.

### Responsibilities:

- Animal husbandry, health, and production
- Input and implementation of pasture, irrigation, and capital developments
- General farm maintenance
- Plan and report on all aspects of farm operations
- Contribute to and implement WHS policies
- Develop and implement budgets in conjunction with the Owner

### Skills:

- Energetic and hardworking
- Computer literacy, record keeping and attention to detail
- Open to learning and developing new skills

Applicant to demonstrate knowledge and experience with livestock production, pasture management, machinery, and leadership.

The successful candidate will receive a generous salary package, including a 4-bedroom home with landscaped gardens.

Please contact Peter McCourt on 0400200366 or via email [woakwinestation@gmail.com](mailto:woakwinestation@gmail.com)

- Newly renovated 4-bedroom homestead, overlooking Lake George
- Professional development supported and encouraged
- Proximity to regional towns (15kms from Beachport, less than 50kms from Robe and Millicent)
