

FREIGHT LOGISTICS PLANNER

OUR CLIENT

Our client is a leading Australian commodities trading company with more than two decades of experience in importing and exporting, with a large domestic and global network. The business trades in quality assured grain and sells agricultural commodities for use in flour milling, aquaculture, pet food and animal feed.

ROLE

Reporting to senior management, you will be required to:

- Forward plan grain movements to meet sale and purchase conditions;
- Co-ordinate delivery or receipt of grain in an accurate and timely manner;
- Communicate with growers and end customers in relation to their grain movements and ensure administrative and legal documentation is accurate and timely.

REQUIREMENTS

Essential:

- Demonstrated experience working in commodity logistics, for grain storage and handling or in an export/import commodities logistics environment;
- Demonstrated Interpersonal skills including customer relationship management skills;
- Clear written and verbal communication skills;
- Strong time management and problem-solving skills;
- Strong computer literacy skills in word and excel.

Desirable:

- 3 to 5 years' experience in the transport or grain industry;
- Knowledge of accounting principles;
- Recognised training in the transport or logistics industries.

LOCATION

Full time permanent role based in Sydney, Melbourne, Albury or Narrabri NSW.

REMUNERATION

A competitive salary package commensurate with qualifications and experience will be offered to the successful candidate.

TO APPLY

Please send your application to resume@agri.com.au, or contact Dr. Ray Johnson, Senior Agribusiness Consultant & Managing Director, by phone (+61419012841) or email (ray@agri.com.au) for a confidential discussion on the role if required.
