

STATION HAND/OVERSEER

Family owned and operated beef breeding business in the south west slopes of NSW has an opportunity for a Station hand/Overseer to work predominately on properties near Rosewood/Holbrook NSW.

The successful applicant will work with business owners and their team.

Ideally suited to an energetic and highly motivated person, keen to further their expertise on a top performing Angus Beef Breeding operation.

Must possess sound animal husbandry and low stress handling skills, ability to perform general farm maintenance such as fencing, machinery operation and stock water reticulation.

An attractive salary and package can be negotiated based on experience.

To apply please email resume with a minimum of two references to bunloit@bigpond.com
