

Property Manager & Senior Farming Operator

Location: Glen Innes / Inverell NSW

Remuneration: negotiable based on experience.

Faulkner Farming manages mixed farming properties for Australian and European institutional investors. Two exciting opportunities exist for experienced and highly motivated persons to join our team. Commencement date for these positions is mid October 2021.

- o Property Manager
- o Senior Farming Operator

Successful candidates will have the opportunity to be accommodated on farm.

Property Manager

Reporting to the Regional Manager/Portfolio Manager, the Property Manager is responsible for executing the strategic direction of the business, managing the daily activities and operations in line with our investors' mandate of sustainable and profitable production.

Pivotal to the role, the Property Manager will develop and manage business plans, budgets, production, recruitment of staff and lead the team in WHS practices.

Role Requirements:

- Ability to manage medium to large scale summer and winter cropping operations with a strong focus on safety and sustainable practices.
- Ability to think laterally and conduct property development and land use transformation projects.
- Competent in excel, performance monitoring and annual budgeting.
- People management and contractor engagement.
- Establish and maintain relationships with local suppliers, regulatory authorities and communities.
- Ensure responsibility for the care and profitable use of all assets.

Senior Farming Operator

Reporting to the Property Manager, the Senior Farming Operator will be responsible for executing the farming strategy including the development work and then ongoing management of farming activities.

Role Requirements:

- Demonstrated experience in operations in a large scale cropping enterprise.
- Machinery maintenance.
- Maintain and report accurate records (paper and online) for the farming enterprise.
- Forklift and HR truck licenses are desirable.
- Have strong mechanical and welding skills.
- A current chemical users' certificate and drivers licence.

To Apply:

Send cover letter addressing the criteria and resume to careers@faulknerfarming.com.au with reference –Property Manager or Senior Farming Operator.

Applications close – 21 September 2021.
