

## NEW POSITION Overseer – Brewarrana Station

<b>Location:</b>	Wagga Wagga/Narrandera District, NSW
<b>About HCA:</b>	<p>Hewitt Cattle Australia (HCA) is a progressive, innovative, and expanding large-scale livestock enterprise with operations throughout Queensland, the Northern Territory and New South Wales.</p> <p>HCA have an opportunity available for an Overseer to join our team overseeing operations on a new property in the Wagga Wagga/Narrandera district of NSW.</p>
<b>Position overview:</b>	<p>Brewarrana Station is a 3,256-hectare pastoral property operating as a mixed farming enterprise, including 554 hectares of developed flood irrigation land lining the Murrumbidgee River. Brewarrana will be part of the larger HCA sheep business focused on producing high quality finished lambs for supply to downstream partners, as well as facilitating a productive dryland and irrigated cropping system.</p> <p>Additional to the above there will be a significant CAPEX element to the role, with the roll out of some significant projects involving irrigation upgrades, pasture improvements, stock water upgrades, new fencing &amp; multiple infrastructure improvements.</p> <p>The role will require the successful applicant to be involved in HCA’s broader vision, which will require demonstrated skills in forward planning, day to day operations, and production of quality livestock, pastures, and agricultural product.</p> <p>HCA seek to empower teams to deliver their annual programs through taking initiative and working towards a well-structured program as a group. It is therefore important that applicants demonstrate advanced communication skills to support their ability to work with minimal supervision. The successful applicant will be reporting directly through to the Aggregation Manager based on a nearby property.</p> <p>The property is located between Narrandera and Wagga Wagga, close by to several schools, agricultural supplies &amp; retailers, Processing facilities, and other HCA investments. Additional benefits include:</p> <ul style="list-style-type: none"> <li>✓ Highly competitive salary</li> <li>✓ Progressive team environment</li> <li>✓ Ongoing training in leadership and business development areas</li> <li>✓ On-site accommodation options to accommodate for a family of any size.</li> </ul>
<b>Experience &amp; requirements:</b>	The successful applicant will have strong practical knowledge and a mixed farming background with experience in sheep husbandry, flock management, general farming practices, dryland cropping and flood Irrigation.
<b>How to apply:</b>	<p>For more information on the role and what a career with HCA looks like, please contact us at <a href="mailto:careers@hewittcattle.com.au">careers@hewittcattle.com.au</a> or call our office on (07) 3004 9200.</p> <p>Visit our website at <a href="https://hewittcattle.com.au">https://hewittcattle.com.au</a> to learn more about us, our properties, and our team.</p>
