

Station Manager – Tubbo Station

Location:	Riverina District, NSW
About HCA:	<p>Hewitt Cattle Australia (HCA) is a progressive, innovative, and expanding large-scale livestock enterprise with operations throughout Queensland, the Northern Territory and New South Wales.</p> <p>HCA have an opportunity available for a Station Manager to join our team managing a new acquisition in the Riverina of NSW.</p>
Position overview:	<p>“Tubbo Station” is a 14,875 hectare pastoral property operated as a large-scale grazing enterprise. Tubbo is currently operating as a self-replacing merino flock producing both wool and lambs. Tubbo will be part of the larger HCA sheep business focused on producing high quality finished lambs for supply to downstream partners.</p> <p>The role will require the successful applicant to be involved in HCA’s broader vision, which will require demonstrated skills in people management, forward planning, day to day operations, operational budgeting and production of quality livestock. Applicants should have the skills to supervise and undertake effective livestock management and accurately record livestock numbers via an online system.</p> <p>HCA seek to empower teams to deliver their annual programs through taking initiative and working towards a well-structured program as a group. It is therefore important that applicants demonstrate advanced communication skills to support their ability to work with minimal supervision.</p> <p>This is an excellent opportunity for individuals and or families/couples seeking a challenging environment or career progression, working among a highly professional and industry leading management team.</p> <p>The property is located between Darlington Point & Narrandera, close by to several schools, agricultural supplies & retailers, Processing facilities, and other HCA investments. Additional benefits include:</p> <ul style="list-style-type: none"> ✓ Highly competitive salary ✓ Positions are available for partners, various opportunities are available ✓ Highly attractive bonuses available ✓ Ongoing training in leadership and business development areas ✓ Fully renovated 6-bedroom, 2-bathroom home with split system air-conditioning & open fireplaces, set on the banks of the Murrumbidgee River
Experience & Requirements:	The successful applicant will have strong practical knowledge and experience in sheep husbandry, flock management, and rural project delivery. A minimum 3 years’ experience is preferred.
