

## **Grounds Maintenance**

Rangers Valley Feedlot, on the Northern Tablelands of NSW, specialises in the production of high quality longfed beef. The operation combines a 40,000 head cattle feedlot as well as backgrounding and farming operations.

This is a unique opportunity to be part of a premium beef business with a strong continuing growth strategy.

A position has become available undertaking grounds maintenance, reporting to the Manager- Feedlots & External Cattle. This position is full time Monday to Friday role.

In this position you will be required to maintain the grounds within the feedlot and surrounding areas.

Your responsibilities will include, but are not limited to;

Grounds maintenance, operating tractor and slasher, mowing (both push and ride on), brushcutting, weed management, basic maintenance of plant and equipment, following works as per set program and compliance with WHS regulations. A Chemcert certificate or willingness to obtain is essential.

Truck license (HR, HC or MC) and/or experience with operating other plant will be advantageous.

Successful applicants will be motivated self-starters, be able to work within a team environment with a good work ethic and have the ability to work under instruction.
