

Riverina Oils Commercial Analyst

Riverina Oils is seeking a highly motivated Commercial Analyst to become an integral member of our Finance team in Wagga Wagga.

The role is centred around making complex information simple, with a focus on production and commercial reporting.

The successful applicant will have the opportunity to learn the methods, tasks, and objectives consistent with supporting day to day operations and business strategy. Reporting into the Finance team, the role works closely with all departments, particularly trading, logistics and production. With a combination of end of month reporting, ad hoc business analysis as well as working closely with different teams, this is a dynamic and engaging role that will be tailored to the interests of the successful candidate.

A finance background, tertiary education and excel experience are essential to this role. An understanding of agriculture and of the grain commodity sector would be preferred and highly regarded.

What You Will Bring to The Team:

- Highly developed written communications skills with the ability to maintain strong attention to detail and take pride in your work.
- Effective verbal communication and interpersonal skills, with the ability to liaise with people at all levels in an informative, accurate and positive manner.
- Ability to prioritise, organise and complete work within established deadlines, and to maintain a consistent level of integrity.
- An ability to work effectively within a busy team environment and to work unsupervised.

You will be confident and experienced in the following:

- Agriculture Economics/Business or other similar business-related field.
- Advanced proficiency with MS Excel and Word.
- Production reporting.
- Stock reconciliation.
- Month End procedures & reports.
- Budgeting.

The successful candidate will be energetic, have strong communication skills and a willingness to learn and grow within the role.

This position is open to applicants with Australia unrestricted work rights only. Shortlisted candidates will be required to undertake a pre-employment medical (including drug & alcohol testing) and background checks.
