

Graduate Program - Feedlot

Stanbroke is a family-owned, integrated Australian beef business, operating a number of cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, a state of the art cattle feedlot in Chinchilla as well as a fully accredited beef processing facility.

The 2022 intake is now open for Graduates interested in undertaking the 3-year Management Trainee Program. This is an exciting opportunity to participate in a program that will provide the leadership and skills training for the successful applicant to potentially fulfil a future leadership role within the business. The graduate program incorporates feedlot management and operations along with Stanbroke's Backgrounding and farming operations. The position is suited to an appropriately qualified and skilled person seeking a career within the feedlot industry.

The successful applicant will be able to demonstrate;

- Tertiary qualification;
- An understanding of livestock production systems;
- Leadership and decision-making capability;
- Good communication skills;
- An ability to apply training into operational and management activities;
- The capacity to utilise previous education and acquired agricultural skills;
- The capability to meet deadlines; and
- Enthusiasm to forge a career within the Australian Livestock Production Industry.

The program is due to commence in Q1 2022, however we are flexible with candidates who may be affected by COVID-19 border restrictions.

This is an opportunity to fast-track your career and join one of Australia's largest privately owned agricultural companies.

To register your interest in the 2022 Graduate Program, please email your cover letter and resume to hrfeedlot@stanbroke.com
