Applications are invited for a full time Farm Manager role in the Central Division at Yeoval. This is a career building opportunity for an experienced candidate seeking progression.

The Role

- Manage the day-to-day operations of the farm including, and not limited to, sheep and cattle husbandry
- Operate, service and maintain plant and machinery including tractors
- Keep a tidy and safe workplace
- Lead and be responsible for contractors on farm
- Keep detailed records and manage paperwork

Skills & Experience

- Livestock handling experience preferably with both sheep and cattle
- Good working dogs
- Cropping knowledge desirable
- Welding and fencing capabilities
- Effective communication, positive attitude and good observation skills
- Ability to work autonomously and within a team environment
- Computer literacy
- Chemical Accreditation certificate an advantage
- HR Licence an advantage

What's on offer

- Access to personal development and training internally and externally
- Flexible work environment
- Fantastic opportunity to join a well-established team with a strong culture
- Comfortable four-bedroom house in a scenic setting and a work vehicle
- Yeoval is conveniently located between the major centres of Orange and Dubbo
- Primary and secondary school buses to Yeoval and Dubbo
- Attractive remuneration package will be negotiated based on experience
