

Detailed Saleyard Report - Cattle
Market information provided by MLA's National Livestock Reporting Service

Dalby

report date 13/10/2021

Yarding 2433
Change -1927

comparison date 06/10/2021

Cattle numbers reduced by 1,900 head to 2,433 at Dalby with all the regular processors, feeder operators and a large panel of restockers in attendance and very keen to purchase replacement stock. With some useful falls of rain across the local supply area and the hope of more to come, prices lifted by up to 50c/kg across several pens of feeder and restocker lines. The yarding contained well finished crop cattle and quality lines of weaner steers and heifers. Cattle were drawn from New South Wales, South Australia and Far Western Queensland plus the local supply area. A quality line of vendor bred stud heifers over 400kg returning to the paddock averaged 574c and sold to 596c/kg.

A large sample of yearling steers in the 200 to 280kg range to restockers sold to 766c and averaged 691c/kg. Yearling steers over 280kg also to restockers sold to 646c and averaged 622c/kg. Yearling steers to feed for the domestic market averaged 569c and made to 604c with restockers paying 620c/kg. Heavy yearling steers to feed sold to 573c and averaged 514c/kg. Yearling heifers in the 200 to 280kg range returned to the paddock at 698c to average 616c/kg. Yearling heifers to feed for the domestic market averaged 515c and sold to 596c/kg. Heavy yearling heifers also to feed sold to 531c to average 472c/kg.

Grown steers to processors made 434c to average 427c/kg. Light weight cows to processors averaged 371c and sold to 373c with restockers paying to 390c with an average of 378c/kg. Good heavy cows to export processors averaged 378c and sold to 390c/kg. Heavy bulls averaged 364c with one heavy bull donated to the cancer council selling for 401c/kg. Light weight bulls to restockers sold to 630c and averaged 593c/kg.

Market Reporter, Errol Luck.
