

*Believe in the Breed*

Wagyu production, operating on “River Lea” in Comet, Central Queensland.

Bar H Grazing has a dynamic team and a great working environment.

We have 2 opportunities available for a self-motivated person / a couple to join our company in a full-time role:

- Operations Assistant  
If you have a genuine interest in Agriculture, with a horse and dog focus to start or build your skills.
- Product Assistant  
Technical livestock assistant with strong analytical skills

These positions would ideally suit a couple. We have 3-bedroom accommodation available.
