

2022 Season – Join the Team

Cunningham Cattle Company is inviting applications to join the team for the 2022 Season on our Northern breeding Properties Esmeralda Station, located 110km south of Croydon and Abingdon Downs, located 100km north of Georgetown.

Experience remote living in a company committed to investing in the skills of passionate and driven individuals. Quality accommodation and meals are provided. Own vehicle and drivers licence are essential to travel to and from the Stations. Q Fever vaccination is required.

Station Hands: Mustering on horses and motorbikes, operating various plant/equipment and general station maintenance.

Grader/Machine Operators: Operation and general maintenance of grader and other machinery. Grader ticket and HR/MC licence required.

Station Cook: Planning menus, order food supplies, cooking tasty and nutritious meals for station crew and visitors as required. Maintaining the kitchen, dining and food storage areas along with other cleaning duties. Assisting in lawn and garden maintenance.

Apply by emailing your application (cover letter and resume) to careers@gunnagri.com
