

Bygana Station is located 155km Northwest of Clermont QLD. We are currently seeking to employ either a couple or two individuals for the following roles:

- Experienced Station Hand
- Nanny Governess

New and private accommodation is provided. There are both single and double air-conditioned rooms, fully en suited with own shower and toilet. A fully fenced yard as well as new kitchen, living and laundry amenities. Great conditions and wage, with covered parking and Wi-Fi.

Station Hand

The station hand position requires a individual with basic knowledge and skill in the following areas:

- Cattle nutrition and husbandry including all aspects of processing, weaner education, herd management and genetic selection.
- Basic mechanical and repair skills i.e. you can change a tire, check oils, weld or strain fences
- Machinery operation of either a front end loader, bobcat, track dozer or grader
- HR or MC license a bonus

Day to Day responsibilities would include all aspects of cattle work, general farm repairs, fencing improvements and machinery operation either grading roads or cutter barring and stick raking paddocks.

Nanny/ Governess

The governess position requires a self-motivated, fun person to care for our 4yr old son. He will be starting e-kindy through distance education in 2022 which will require supervision in a school room. When not in the school room we are looking for someone who will engage, play and skill build with fun, outdoor activities.

We are open to using the In Home Care (IHC) program, and hours would be flexible if the individual were hoping to incorporate study.

If you would like to know more about the roles please forward applications with references to byganastation@gmail.com or phone 0749835007

Thank You
