

## **Station Hand**

- Upper Hunter Valley NSW Location
- Commercial and Stud Angus Herd
- On-farm Accommodation

### **THE PROPERTY**

Located in a pristine area of the Upper Hunter Valley NSW, this conglomerate of 10,000 acres of productive and well-maintained country is an ideal cattle breeding and fattening enterprise running an Angus stud and a commercial herd improved with a program using imported embryos. Moderate slopes and undulating hills including alluvial creek flats to chocolate basalt shelves offers an ideal balance of pasture and fodder crops in a 700mm rainfall area. The homestead block has only had two owners since settlement in the 1830's and the addition of neighbouring properties in recent years makes this a property of distinction.

### **THE ROLE**

A vacancy has arisen for an experienced Station Hand reporting to the Station Manager.

### **RESPONSIBILITIES**

Involvement in all aspects of farming including stock work, fencing, general maintenance, vehicle care, water management, spraying, planting and cropping.

### **REQUIREMENTS**

- Prior experience in cattle management and general farm duties
- Competent in mustering on a horse
- Must have own working dogs
- Chemical Certificate

### **LOCATION**

Located 20 minutes from Merriwa and 45 minutes to Scone. Offering proximity to primary and secondary schooling within a short bus ride.

### **REMUNERATION**

A salary commensurate with experience will be negotiated with the successful applicant and benefits will include the use of a recently renovated 3-bedroom house.
