

Maintenance Supervisor – Gunnee Feedlot

A world-class agribusiness, Hancock Agriculture, incorporating S. Kidman & Co. Pty Ltd and Hancock Prospecting Pty Ltd Services, has a position available for Maintenance Supervisor to join our operations at Gunnee feedlot. The feedlot is situated in northern NSW in the Inverell Shire and near the town of Delungra. The farm spans approximately 1,335 hectares and is home to 10,000 cattle.

About the role

This position is ideally suited to a qualified heavy machinery mechanic or is a bush mechanic with demonstrated experience in a similar role. The incumbent is someone who enjoys working with a broad scope and variety of work, ranging from mechanical to maintenance type functions eg. general maintenance of yards, water and general infrastructure.

To be successful in this role, you will have:

- Heavy machinery mechanic or demonstrated experience in a similar role
- Ability to organize work maintenance programs
- Hands on attitude to the role and be prepared to work across various tasks from workshop to feedlot maintenance
- Working and supporting a safety workplace culture
- Ability to work independently as well as cohesively within a team environment
- Record keeping, computer literacy and reporting skills
- Driver's licence class C
- Current basic first aid certificate
- Advanced first aid certificate is desirable
- A genuine passion for agriculture

What we offer you:

- Certainty of remuneration commensurate with experience
- Training, career development and advancement opportunities in our widespread organisation
- Friendly, supportive team and community environment
