

Mann Pastoral Company

Farm Manager – Yattendon @ Coolah

Mann Pastoral is a family-owned business. Located at Coolah, NSW, the “Yattendon” operation will include the establishment of a core angus breeding herd as well as cattle and lamb trading based on opportunity backgrounding and finishing. Forage crop production supports natural and improved pasture systems.

Yattendon covers 4,000 acres running 600+ cattle and farming 1,000 acres.

Reporting to the owners, you will have a unique opportunity to be part of establishing a new enterprise. As a ‘hands-on’ farm manager, you will have the ability to be involved in the planning and be responsible for implementing the agreed farm and production plans.

Supported by the owners and Ag advisors, this pivotal role will include;

- Implementation of the annual and 3-year stock and farm plans within the agreed financial plan / budget;
- Planning and carry-out the day-to-day operations of running Yattendon including;
 - Pasture establishment and maintenance
 - Fodder crop production including crop selection, sowing and grazing
 - Hands-on stock management, cattle husbandry and breeding strategies
 - Establish, maintain infrastructure (including fencing) and equipment
- Introducing innovative grazing and pasture management systems;
- Support on cattle purchasing and marketing;
- Utilising farm / property management software;
- Maintaining a well organised, efficient and clean work environment.

The ideal candidate would be energetic with strong communication skills. You would have at least 5 years’ experience in a similar role in a livestock and farming operation.

Skills in implementing operational plans and budgets are important with the ability to provide updates / reports and use of relevant software / technology is a significant advantage.

Mann Pastoral has a focus on both safety and animal welfare that you would be expected to support and implement. You would also need to be supportive and welcoming of the owners being involved in farm activities, particularly during school holidays with children.

This role is based at “Yattendon” located 8 kilometres Northeast of Coolah. A fully maintained family home, a vehicle (or allowance), professional development contribution and laptop will form part of your attractive remuneration package.
