

## **Overseer – Property Improvements**

TVF Pastoral Company is a privately owned Queensland beef cattle company with properties located throughout Central and Central Western Queensland. A newly developed role of Overseer of Property Improvements has been created to join the current team on the Thalmera Aggregation, located 40km west of Moura in Central Queensland. The properties support a 10,000 head cattle trading and finishing operation which are rotationally grazed across 20,000ha.

The successful applicant will be responsible and accountable for property improvements whilst working closely with management. This is an excellent opportunity to learn the finer management details of a progressive forward thinking, regenerative beef business within a great team.

The successful candidate will:

- Require a high level of attention to detail and workmanship.
- Have previous experience undertaking fencing, water and other property development projects.
- Will have skills in fabrication, welding and construction of station improvements.
- Will have machinery operation and mechanical experience.
- Provide leadership and have the ability to organise, supervise, train and mentor a team when required.
- Possess good time management and organisational skills.
- Be capable of working efficiently and effectively autonomously or in a team.
- Be capable of reporting and recording.
- Have a sound understanding and commitment to WH&S.

Ideally the successful applicant will have had previous experience in undertaking property improvement projects, but may also suit someone that has exposure and is looking to take the next step up. This role will at times involve other aspects of property operations, but will predominantly have a property improvement focus. The business focuses on best management practices using modern technology and management with well-maintained modern facilities and equipment.

A well-maintained, air-conditioned, 5 bedroom house with Telstra 4G service is available with a school bus to the front gate 40 km from Moura.

An attractive salary package will be offered to the successful candidate commensurate with experience along with an emphasis on training and personal development.
