

THE YANKO
M e r i n o

Stock person for Stud Merino, Commercial Merino and Angus breeding operation.

We are seeking an enthusiastic and motivated person, who is passionate about a long-term career in agriculture.

The position is based at **The Yanko**, 25kms North of Jerilderie, NSW, in the Southern Riverina. The successful applicant will have access to a modern 3 bedroom house, 1.5km from the school bus run servicing the local primary school. All stud and commercial livestock are run across 32,300 acres native grassland with a small cropping program.

Responsibilities involve all aspects of farming operations, including livestock and general property maintenance, recording of stud stock data and maintaining water infrastructure.

The **preferred candidate** will display the following;

- Experience working with sheep or within a farming business
- Use of initiative during day to day operations
- Chemical certificate
- Knowledge of solar bores for livestock water
- Data recording of Stud Merinos (fleece weights, body weights, micron tests)
- Own working dogs

Wages will be negotiated based on experience.
