

### Pen Rider/Cattle handler

Wanderribby Feedlot is under new ownership in and is seeking a Pen Rider for its 8000 head licenced feedlot at Meningie, adjacent to the beautiful Coorong and one- and three-quarter hours from Adelaide.

The role will include but not be limited to:

- Daily Pen riding duties identifying and removing sick cattle.
- Assist with the treatment of sick cattle.
- Cattle acclimation on induction
- Feedlot Stock movements
- Cattle Inductions and exits
- Trough Cleaning
- Relief feeding

The successful person needs to have a willingness to learn, follow Feedlot Animal Health protocols, be animal welfare conscious and abide by the company's WHS policy.

There will be some weekend work. They must provide 2 suitable horses and equipment and be a competent rider. Experience in the feedlot industry or cattle mustering would be an advantage but not required. Training will be provided; an attractive salary package will be negotiated for the successful applicant including horse allowance.

This is a full-time position and not available for visa holders.

For further info phone 0428751372

Resumes should be directed to:
