

Farm Manager

- Well established Angus & Fine Wool property
- Owners required you to take the reins
- Uralla, NSW (30 min to Armidale)

The Role

Experienced and hands-on Farm Manager seeking a role where they will work with on-farm owner but be handed the reins to a 4,500 acre self-replacing Sheep and Cattle enterprise.

The owners require a competent and reliable manager to live on the farm full-time and provide the necessary focus to operate, maintain and develop the enterprise as well as managing other staff and contractors.

The role will suit an enthusiastic, independent person with a high level of sheep and cattle experience. Whilst experience working with livestock and dogs is fundamental, they are open to younger talented managers looking to develop and grow over the long-term.

Key Responsibilities

- Hands-on livestock management of sheep and cattle;
- Maintain and develop the enterprise in accordance with farm plans developed in conjunction with the owner;
- Liaison with contractors and veterinarians to ensure smooth operation of all seasonal operations and to ensure compliance with animal welfare standards;
- Fencing & property maintenance;
- Sound mechanical knowledge and welding experience essential.

Key Requirements

- Min 2-3 years in a farm management or overseer role;
- Extensive experience working with sheep;
- Operation of farm machinery;
- General farm management skills including fencing;
- Ability to work unsupervised and show initiative;
- Well organised, efficient & like to work in a clean environment;
- Own working dogs essential (biscuits/food provided).

Location and Remuneration

Uralla, NSW (30 min to Armidale). An attractive base salary will be negotiated in-line with experience + 3 bedroom house + power + FMV.
