

We specialise in the supply of portion control and whole meat products to all sectors of the catering and restaurant industry.

A vacancy currently exists in our business for an experienced Senior Production Supervisor that is experienced working in a large scale retail environment

The successful candidate will be passionate about protein and have a focus on product presentation and quality.

You will have a drive for reviewing and improving process and have a passion for developing the skills and expertise of your team.

You will be a collaborative leader of the team and will have authentic relationships across our business.

For you to be successful you will require meat industry knowledge and possess the following attributes:

- Proven manufacturing experience, in meat processing/portion control and food manufacturing
- Leadership and development of a high performing team
- Production planning and yield analysis
- Strong work ethic, eye for detail and quality focus
- Clear decision-making skills.
- Lead by example
- High level of presentation and communication skills
- Computer skills

In return you will receive a competitive remuneration package, including incentives, and the opportunity to work in a business that is rapidly growing where our values are more than just words on a wall, its how we do things here.

### **Who are we**

MOCO Food Services is an award-winning leader in wholesale foodservice supply, operating as a locally owned privately run company for the past 50 years. Our purpose is to help our customers run great food businesses. That means being more than a distribution company – it means bringing ideas and innovations, not just products and produce. We like to think of it as Delivering Inspiration.

Our responsibility is to act with the best interests of our people, customers and Moco to sustain a healthy and safe workplace in this unique environment. Given our role in the supply chain we have made the decision to mandate COVID vaccinations in our workplace
