

## **Livestock Overseer**

Te Mania Angus is one of Australia's leading suppliers of Angus cattle genetics, embracing performance recording, Low Stress Stockhandling, regenerative farming practises and a positive working environment.

We are seeking an experienced and passionate Livestock Overseer for our Mortlake property, which runs up to 1200 breeding cows and 800 bulls in a large-scale grazing system.

A key focus of the role is livestock and bull management, balancing pasture and animal nutrition.

Bikes, horses and dogs are used. Farm machinery experience and maintenance of property infrastructure is ideal but not essential.

Working as part of an efficient and proactive team, the successful applicant will have good communication skills, attention to detail and will be reliable to complete tasks to a high level. Further training and development opportunities will be provided.

Remuneration package and accommodation are negotiable and above award. Position description available. Enquiries to Lucy Ph 0409 952 197

Please apply with CV and referees to [lucy@temania.com.au](mailto:lucy@temania.com.au) by 21/1/2021.
