

**Helicopter Pilot/Station Hand – Durham Downs, QLD**  
**Aeroplane Pilot/Station Hand – Helen Springs, NT**

We seek two experienced full-time aerial mustering operators to work and reside at our stations as a pilot and undertake station hand work when not flying.

**About Hancock Agriculture**

Hancock Agriculture is a world-class agribusiness with long history in Agriculture. With over 30 properties across Australia, spanning 10 million hectares, we are one of the country's largest producers of beef with a herd of over 320,000. Hancock Agriculture incorporates S. Kidman & Co. Pty Ltd and Hancock Prospecting Pty Ltd Services. Hancock Agriculture provides you a career in an exceptional organisation you can be proud of, whose culture includes, "happy healthy cattle are the best cattle". Using practical technology, we are leaders in responsible safety.

**Duties include:**

- Aerial cattle mustering and general aerial work (checking of livestock and facilities)
- Mustering cattle in unison with horsemen, motorbikes and side-by-sides
- Ferrying company staff between properties (when required)
- Attending to all facets of cattle husbandry and processing
- Carrying out general station maintenance and repairs e.g. fencing and welding
- Undertaking general vehicle and machinery operation and basic maintenance
- Assisting with land and environmental management practices

**What we offer you**

- Air-conditioned, single room accommodation
- Quality home-cooked meals
- Certainty of remuneration commensurate with experience
- Training, career development and advancement opportunities in our widespread organisation
- Friendly, supportive team and community environment

**Helicopter Pilot/Station Hand – Durham Downs, QLD**

Reporting to the Station Manager, you will be based and reside at Durham Downs, work in the Channel Country region and may also be utilised across a number of Queensland or other group properties as required. This will be a varied role in which you will have the opportunity to utilise multiple skill sets, firstly in aerial operations and then, when this is not required, working as a general Station Hand. To start February/March.

**Essential**

- A CASA Commercial Pilot Licence Helicopter – CPL (H)
- Aircraft class rating for Single-Engine Helicopter (SEH)
- Current Class 1 medical certificate
- Current Aviation Security Identification Card (ASIC)
- On-ground mustering and livestock handling skills
- Valid and current Class C motor vehicle driver's licence
- Located in Australia with the legal right to work here

**Desirable**

- R22 endorsement, with a low-level rating and aerial mustering endorsement
- R44 endorsement
- 500 hours of aerial mustering experience

Please apply online or email your current resume with references to [careers@hancockagriculture.com.au](mailto:careers@hancockagriculture.com.au) quoting **BC-HPSH-2022**.

**Aeroplane Pilot/Station Hand – Helen Springs, NT**

Reporting to the Station Manager, your main responsibilities include aerial stock mustering, checking of stock and facilities and flying company staff between properties. You will, at all times adhere to regulatory requirements, and the company's safety and operational standards. When not engaged in aerial operations, you will be required to work as a Station Hand and assist with general day-to-day station activities including working with livestock. You reside at Helen Springs Station (the nearest town is Tennant Creek). To start February.

**Essential**

- CASA Commercial Pilot Licence Aeroplane - CPL (A)
- Aircraft class rating for Single-engine Aeroplane (SEA)
- C172 endorsement
- Current Class 1 medical certificate
- Current Aviation Security Identification Card (ASIC)
- On-ground mustering and livestock handling skills
- Valid and current Class C motor vehicle driver's licence
- Located in Australia with the legal right to work here

**Desirable**

- Heavy Vehicle licence
- Experience riding motorbikes
- Low-level rating with an Aerial Mustering endorsement
- 500 hours of aerial mustering experience
