

An exciting opportunity exists to join our progressive team on our family run, mixed farming enterprise in the Hannaford area of the Western Darling Downs.

We are seeking a farm assistant or 2IC to assist with day to day operations and who can help us move our business forward. The person we are seeking would be highly motivated, well presented. The applicant needs to be a good communicator and be able to listen to and carry out instructions while being able to use their initiative to get jobs done.

This person must hold an MC licence and be proficient in operating most types of farm equipment including gps enabled self propelled sprayers, headers and tractors.

Duties would include (but not limited to) planting, spraying, harvesting and transporting of grain using our own road train. Applicant must be a non-smoker, neat and tidy and able to work on their own unsupervised or as part of a team. They should also be able to maintain and service all equipment so some mechanical knowledge and experience would be preferable. Experience in handling cattle is a benefit however not essential.

Family accommodation is available on farm with close access to primary school. A remuneration package commensurate with experience and ability would be negotiated.
