

# International Meat Training Consultant

Taiwan, Malaysia, Indonesia, Vietnam focus

We are an international Investment group jointly based in Taiwan and Australia with operations throughout Asia with a particular focus on Malaysia, Vietnam and Indonesia.

Our focus is to train all our existing employees and potential international recruits to Australian Skilled meatworker standards in Slaughtering, Boning and Slicing for potential placement in our various beef and small stock processing plants in Australia.

We now seek the services of a well- qualified, experienced and results driven Meat Industry Training Manager to develop in-house training in numerous overseas plants following Australian Cert 1, Cert 2 and Cert 3 curriculum in Meat Processing (Abattoirs and Boning Room).

Candidates will be enthusiastic, motivated and energetic Meat industry training professionals who clearly have leadership experience in a culturally diverse Meat butchery or related operations environment. You will have strong diverse ethnicity appreciation, patience and leadership, as well as strong mentoring skills to develop potential candidates from their basic current meat industry work experience into skilled meatworkers over a 6 to 12 month engagement cycle.

Adherence to first class OH&S and Australian food safety standards as well as the ability to mentor and develop candidates in a constructive and culturally appreciative manner is fundamental to this role.

This is a hands-on senior Meat training role which will appeal to experienced meat industry trainers to be engaged on a consulting basis across a number of training establishments in Asia.

Engagement terms are very attractive and extremely flexible.

**Complete confidentiality is assured.**
