

## About the business

Central Agri Group is one of Australia's leading fully integrated farming, backgrounding, lotfeeding and meat processing companies. The business was established in 1991 and has developed a loyal and strong global and domestic network of customers and partners, delivering high quality meat products to over 50 export markets.

Central Agri Group is a unique national business with significant investment in state-of-the-art meat processing capabilities with on-site cold storage facilities. Our business divisions include export abattoirs located in Victoria and the Northern Territory, along with our own farms, feedlots and export depots at Western Australia and in the Northern Territory.

## The Opportunity

We currently have Livestock specific roles on offer for our Abattoir Operations at **Rum Jungle Meat Exports** processing facility located at 165 Meneling Road, Batchelor, NT 0845. Each position comes with the opportunity to pursue a stable, progressive, and rewarding career path within a safe and supportive environment.

## Livestock Operations & Logistics Coordinator

Duties include....

- Purchase required livestock for processing at our site to meet production schedules in line with our Livestock Grid
- Manage livestock deliveries to minimise livestock carry over across our site on non production days
- Liaise with the Plant Manager, National Livestock Manager and Group GM regarding livestock supply and procurement
- Establish and maintain productive relationships with producers, suppliers/vendors, agents and industry stakeholders
- Ensure accurate Livestock records are kept and maintained across the livestock division (NVD's, Weighbridge dockets, Administer NLIS database, Livestock booking sheet and SOH records)
- Manage, mentor and lead the Livestock team by example with a hands on approach to ensure all daily duties and tasks are completed whilst ensuring animal welfare and husbandry of livestock across our site is maintained to the highest level and that all livestock are handled in a low stress manner

## **Livestock Hand**

Duties include....

- Handle and work with livestock at our facility in a low stress manner
- Assist with livestock receivals, movements of livestock through our working yards, holding yards and lairage
- Ensure livestock husbandry is always at a high standard by providing livestock with access to fresh clean water & feed
- Maintain Yard and pen hygiene for livestock
- Be willing to work weekends and after hours

## **Requirements**

- Physically fit, disciplined, agile and a team player within a dynamic environment;
- Operation of equipment and machinery;
- Maintaining high hygiene standards throughout all processes;
- Follow all OH&S procedures and policies;
- A keen attitude to work, reliability and flexibility;
- Possess working rights in Australia.

## **The Reward**

- Progressive career opportunities
- Above award pay rates
- Full time employment opportunities are on offer for the right candidates
- On the job training and upskilling opportunities available
- Work in a culturally diverse work environment
- Other incentives may be considered (based on commitment, dedication to your role and performance)
- Opportunity to work at other Central Agri Group divisions during offseason

## **Let's get started**

All shortlisted candidates will be required to undergo a –

- A pre-employment interview
- Medical and/or physical assessment
- COVID-19 vaccination
- Q-Fever vaccination
