

**ENDEAVOUR**  
Meat Sales & Marketing  

---

**AUSTRALIA**

**Job Title** – Production Coordinator

**Job Type** – Full time

**Location** – Orange, NSW with potential to work remotely

**About Endeavour Meats**

Endeavour Meats exports the highest quality Australian beef, lamb and pork products globally. Endeavour is a proudly 100% Australian privately owned and operated company. The Endeavour Meats team is passionate about sharing Australian agriculture and high-quality Australian produce with our valued customers around the world. We pride ourselves on having the knowledge and capability to provide our customers both in Australia and globally with a fully tailored meat solution to suit their business.

**About the role**

**We are looking for a Production Coordinator to join the Endeavour team on a full time basis**

The core responsibility of the Production Coordinator is to manage the livestock processing function of the business. This entails liaising with supply chain partners and livestock processing facilities across NSW, QLD & Victoria. A large component of the role is knowledge and understanding of meat processing specifications.

**Responsibilities**

- Maintaining professional relationships with livestock supply chain partners and meat processing partners
- Manage all internal sales of kills in to the various markets
- Responsible for individual P&L of each kill, and working with sales team on maximising P&L
- Manage all SOH & stock sheets across various processing platforms
- Organise production plan weekly according to sales plans
- Instruct ops team on loadouts & logistics

ENDEAVOUR  
Meat Sales & Marketing  
AUSTRALIA

**About the candidate**

- Ambitious individual with experience working in a dynamic team environment
- Extensive knowledge of the Australian meat industry, both on beef & lamb
- 5 years' experience working in and with meat processing plants
- Sound communication skills and ability to effectively manage multiple supply chain relationships at a high level
- Ability to manage P&L and budgets of meat processing
- Desire to grow your career within a quickly growing team
