About Hancock Agriculture

Hancock Agriculture, combining Hancock Pastoral, Wagyu Operations & S. Kidman & Co. Pty Ltd, has a long history in agriculture with more than 20 properties across Australia, spanning around six million hectares. With a herd of over 230,000, we are proudly one of the country's largest producers of Wagyu and commercial cattle. As a combined business, we offer our people the unique opportunity to be part of a vertically integrated farming operation, which means we own every step of the process, from breeding, backgrounding, and grain feeding, through to sales of finished product, to ensure the highest standards of animal husbandry, traceability and quality assurance are performed.

Hancock Agriculture provides you a career in an exceptional organisation that is entering an exciting period of change, continued innovation and growth. Be a part of our journey in an organisation you can be proud of and where we value the safety and welfare of our people, animals and environment.
