

LOCHINVAR, Carinda NSW

Manager's Position

P & J Harris & Sons are looking to fill the Manager's role at Lochinvar. Lochinvar is a 4,000ha farming operation, with 2,500ha of developed irrigation country focusing primarily on irrigated & dryland crop production.

The property is located on the outskirts of the Carinda township on the Macquarie River, situated 70km south-west of Walgett and 160km north of Warren. The house is located just off the bitumen road, and boasts a beautiful, well-maintained 4-bedroom homestead, including a house yard & swimming pool.

Duties include:

- Day-to-day seasonal cropping operations
- Overseeing 2-3 farm staff
- Overseeing seasonal work crews on the property
- Maintaining machinery, equipment & infrastructure

The successful applicant will have:

- A current Driver's Licence
- Previous experience with cotton irrigation and dryland cropping, including operating modern machinery & technologies
- Ability to work unsupervised
- Good communication & record-keeping skills
- Ability to manage staff and contractors

A sound remuneration package is available for the right applicant, depending on experience.
