

# MERCADOOL, Walgett NSW

## Manager's Position

P & J Harris & Sons are looking to fill the Manager's role at Mercadool Station. Mercadool is a 10,000ha mixed-farming operation. Farming operations focus primarily on irrigated & dryland cropping, and cattle grazing in the lightly-timbered country.

The property is located 35km North-East of Walgett, offering access to local primary schools and a thriving rural community. The house dwelling is a well-maintained, 5 bedroom homestead, fitted with new air-conditioning and floorings.

Duties include:

- Day-to-day seasonal cropping operations
- Overseeing 1-2 farm staff
- Overseeing seasonal work crews on the property
- Maintaining machinery, equipment & infrastructure

The successful applicant will have:

- A current Driver's Licence
- Previous experience with cotton irrigation and dryland cropping, including operating modern machinery
- Ability to work unsupervised
- Good communication & record-keeping skills
- Ability to manage staff and contractors

A sound remuneration package is available for the right applicant, depending on experience.
