

General Farm Hand Position

Palgrove is a leading Australian integrated seedstock and commercial cattle business with a history spanning over 50 years.

There is currently an opportunity for a General Farm Hand to join a motivated team for our large-scale livestock production and fodder cropping property at Macintyre Station, 30kms north of Inverell, NSW.

Duties

- Operate & maintain general farm machinery including Loader, Trucks & Tractors
- Welding & general farm fabrication
- Undertake general property repairs and maintenance including to accommodation based onsite
- Work and liaise with contractors
- Assist with infrastructure development
- Assist with cattle handling and farm work as required

To be considered for the role you must:

- Have a minimum 2 years' experience in a similar role
- Ability to operate a range of farm machinery
- Australian Driver's Licence, HC truck licence would be an advantage
- Good welding skills are essential
- Experience with pivot irrigation an advantage
- Ability to work unsupervised and have strong attention to detail
- Have a commitment to safe work practices and animal welfare

The position offered will be fulltime.

Benefits

- Attractive salary commensurate to experience
- Comfortable house and electricity
- Friendly & supportive working environment
