

## **Cattle Manager ---Florina Station**

Florina Station is situated beside the Daly River approximately 50km west of Katherine NT. Florina combines cattle production as well as an expanding Agribusiness.

Development - Established breeder and weaner paddocks, coolers, roads, water supply, hay production in place

Soils – total area approx 57,497ha and cleared area approx 200ha, with scope for further clearing and hay production.

Agribusiness – Brahman Cattle

Cattle and infrastructure – current with 1300 breeders and their calves, 60 bulls and EXTENSIVE plant and equipment. The property has excellent accommodation and facilities, suitable for a management couple. We are looking for a skilled and motivated Farm Manager couple joining and working with our farm management team, and willing to work with our cultivation team in the future.

### **Responsibilities**

You will take part in the operation and development of the Farm and enjoy being responsible for its full implementation. The responsibilities include:

- Implementation of livestock strategies
- Management of contractors and one station hand
- Maintenance of the farm equipment and infrastructures

### **Requirements**

To be successful in this role you need to have:

- Minimum 5 years practical experience in livestock husbandry, pasture management and herd monitor field
- Certificates in Beef Cattle Production
- Good understanding and experience in OH&S management system
- Good planning and problem-solving ability
- Good communication and organizing skills
- Good health condition and enjoy outdoor working environment
- A responsible attitude and able to work independently
- Ability to plan effectively and manage against a budget
- Attention to details, and able to maintain accurate property records
- Experience in timely reporting and monthly meetings
- Mechanical aptitude and able to use computers (current licences for all vehicles and heavy equipments)

Applicants need to be keen to learn, have an open minded, be willing to contribute new ideas, and work collaboratively as part of a team. Driven and passionate about Farm Management, you may now be working as an Assistant Manager but ready to take the next step up in contributing to and implementing plans as a team leader.

If you are the one who is satisfied all the requirements above and would like to become part of a young enthusiastic team, aiming to excel in Agribusiness, please apply with resume, cover letter, and references to [ykflorinastation@gmail.com](mailto:ykflorinastation@gmail.com).
