

## Senior Business Manager, Northern Territory

- Work for an Australian owned and operated Agribusiness.
- Clear progressive career path.
- Competitive remuneration package.

Due to recent business growth within AAM, the opportunity exists for a Senior Business Manager who is driven to deliver a robust commercial outcome. The successful applicant has demonstrated effective leadership in sound safety, animal welfare and production, people management, delegation of responsibility and business acumen. The Senior Business Manager is responsible for the management of personnel, assets, operations, and financial performance of large-scale cattle stations in the Northern Territory. This role may encompass a diverse range of agricultural practices.
