

Assistant Farm Manager

- Forward thinking family-owned mixed farming enterprise
- Great location near Mullaley on the Liverpool Plains, NSW
- Lovely newly renovated 5-bedroom home on offer

The Company

Glenrowan Estate is a family-owned broad acre farming operation producing wheat, canola, sorghum and oats with a complimentary Hereford and Angus cattle herd.

Location

Located on the edge of the Liverpool Plains this beautiful 6,000-acre property is just 20km from Mullaley and 55km from Coonabarabran and Gunnedah, NSW.

The Opportunity

We have an opportunity for a reliable, positive, hardworking hands-on Assistant Farm Manager who will work closely with the owners to implement all tasks related to cropping and stock management. You will be part of a secure team, where your input will be valued as this position will come with responsibility and ownership of decisions across the farming and breeding operation. This position will enable you to utilise your leadership and mentoring skills with a small team

Duties will include:

- Planning and coordination of cropping and livestock programs
- Breeding and raising livestock and growing grain and feed crops.
- Providing pastures and fodder to maintain appropriate nutritional levels.
- Fertilising and pest and weed control.
- Adhering to WHS and maintaining equipment, records and infrastructure
- Operation of farming equipment, including but not limited to tractors, spray rig and headers
- Managing farm operators and casual contractors

The qualities and skills you'll need:

- Experience with livestock and broad acre cropping
- Mechanical aptitude and fencing ability
- Some experience in GPS-based applications
- Honesty, Integrity and Loyalty.
- Enjoy problem solving and decision making with a good range of practical skills.
- Be an effective communicator and enjoy autonomy in a role.
- Driver's Licence (essential)
