

## **2023 Station Roles – Expression of Interest**

We are mustering up team members to join us for the 2023 season starting between late February and early March. If you want to pursue a career in Agriculture or you yearn to spend a gap year or have a change of scene challenging yourself on a station, consider joining our team. We can offer you a great experience working on our stations. We offer training and have experienced leaders to help you learn and develop your skills.

### **Our station roles include:**

Leading Hand  
Experienced Station Hands  
First Year Station Hand  
Bore Runner  
Machinery Operator - Grader | Loader Driver | MC Truck Driver  
Gardener/Homestead Maintenance  
Station Cook

### **Our station locations include:**

QLD - Durham Downs, Durrie, Glengyle, Morney Plains & Naryilco  
NT - Helen Springs & Brunchilly  
WA - Liveringa, Fossil Downs & Roy Hill

### **What we offer you**

- On-the job training as such low stress cattle handling, livestock husbandry and animal welfare.
- Basic to advanced motorbike and horsemanship, safe operation of 4 x 4 vehicles and side by side.
- Internal transfer and development opportunities between stations and states.
- Quality home-cooked meals and air-conditioned accommodation.
- Our stations offers the opportunity for team members to engage in a social environment at their recreation/social clubs, swimming and gaming rooms, local fishing holes, jet skiing or skiing on the local river and creeks.
- We also offer the opportunity for our staff to attend and represent their station in local sporting and cultural events like the footy and cricket, fundraisers, fun runs, various horse and social events in the nearby communities.

### **How to apply:**

Email [careers@hancockagriculture.com.au](mailto:careers@hancockagriculture.com.au) quoting **BC-Season2023**.
