

AgriSolutions Store Manager - Coffs Harbour, NSW

About us:

Norco is a 100% Australian, Farmer Owned Dairy Co-Operative that supports our communities and customers through a ground up approach. This starts with producing quality nutritional and agri solutions for our farmers, continues through our quality controlled production facilities and ends up delivering Australia's best tasting dairy to our customers and communities we are proud to serve. Since 1895, every product and breakthrough has been powered by generations of employees who are inspired to make a real difference. We offer a friendly work environment and the opportunity to work with household brand names Australian families have come to know and trust.

The position:

We have a rare and exciting leadership opportunity in our **Coffs Harbour AgriSolutions Store** for a Store Manager.

You will be responsible for leading and managing a small team to maximise sales revenue and store profitability, whilst delivering an exceptional customer experience to the local community. You will also develop strategies and operational plans to facilitate business growth and development to ensure the future success and stability of the Norco business in Coffs Harbour.

To be considered for this role you must be able to demonstrate the following selection criteria in your application:

- Knowledge of a broad area of agricultural inputs
- Strong leadership and coaching skills with the ability to manage a diverse range of personalities
- Ability to build relationships using highly developed listening, interpersonal and communications skills
- Strong commercial acumen and financial management skills, including sound understanding of P&L, balance sheets, cash flows and budgets
- Ability to think proactively in developing business strategies with a flexible can do attitude
- Sound knowledge and experience in a retail business, including merchandising, stock, logistics and marketing
- A rural background or experience in an agricultural field would be an advantage
- Forklift and Drivers licence

This is a fantastic opportunity to build a long term and secure career with a company that has been established for over 127 years! The position provides a challenging and exciting environment each day.

If you are interested in a great career with Norco, we would love to hear from you.
