

POSITION VACANT – FULL TIME PENRIDER/LIVESTOCK HAND

Conargo Feedlot is a modern and progressive beef cattle operation located 25 km from Deniliquin, NSW and has a position vacant for a Penrider/Livestock Hand for its 8,000 head feedlot, which is currently expanding to 12,000 head. This is a full time position working on a 10/4 roster and would be best suited to someone with a passion and drive for growth in the beef cattle industry.

Duties include, but are not limited to:

- Drafting exit cattle;
- All aspects of cattle induction;
- Daily pen riding and movements;
- Diagnosis and treatment of cattle;
- Data entry; and
- Machinery operation.

The ideal candidate will have the following skills and attributes;

- Punctual and reliable;
- Attention to detail;
- Low stress stock handling;
- Experienced horse rider;
- Ability to work alone and as part of a team;
- Forward thinking;
- Sound computer skills;
- Willingness to take instruction and learn;
- Drivers licence; and
- Own work horse and gear.

An attractive remuneration package will be negotiated with the successful applicant. Applications including letter and resume should be directed to the Livestock Supervisor at feedlot3@ustfood.com.au Contact Steph on 0447 119 936 for further information.
