

LOCATION: Central Australia

PROPERTY: Ambalindum Aggregation

HERD: Predominately Santa/ Droughtmaster X herd

PRODUCTION TYPE: Certified Organic Breeding, Backgrounding and Fattening

Hewitt Cattle Australia (HCA) is a progressive, innovative and expanding large- scale livestock enterprise recognised for employing best management practice across its operations. The company has over 40 years' experience in successfully owning and operating grazing assets throughout Queensland, Central Australia and New South Wales.

HCA presents an exciting opportunity for an individual seeking a career in a challenging yet rewarding environment, working amongst a highly professional, industry leading management team. The role will be based at Ambalindum NT, reporting directly to the Aggregation Manager and sharing the responsibility of day to day operational management. We are seeking a strong communicator, an excellent mentor and a team player who is focused on progressing their career.

The Ambalindum Aggregation spans across 1.3 million acres, incorporating Ambalindum, Numery and Quartz Hill Outstation. The properties are connected and nestled amongst the East MacDonnell ranges known for reliable rainfall, high-quality rangelands and spectacular scenery. Being in Central Australia, the aggregation has access to all three key Australian beef markets (Slaughter, Store and Live Export).

THE SUCCESSFUL APPLICANT WILL HAVE:

- A strong focus on safety and highly value the wellbeing of people and animals, and the good repair of property and equipment.
- The necessary skills of a cattleman, plus experience in machinery, bore and general property maintenance. Highly desired is the ability to preg-test and a HC or MC license.
- Demonstrated ability to keep records, use technology, develop programs and communicate clearly in all aspects of these functions, and the role overall.
- Be focused on the progress of the people around them through steady leadership, considered decision-making, positive mentoring, training and above all else, working as a team.
- Have a strong work ethic and flexibility to adapt to rapidly changing priorities.
- Exhibit a high standard of personal presentation.

This position is a great introduction to the management of a large-scale beef operation and holds an exciting opportunity for career progression within Hewitt Cattle Australia, a recognised leader in the Australian agricultural industry. If you are confident in your ability to deliver on operational requirements at the property level and have high standards you will enjoy being part of the HCA team. Please email your comprehensive resume and two references to careers@hewittcattle.com.au. For enquiries, please call Craig & Sarah Cook on 08 8956 9714.
