

A.L.CUNICH PTY LTD

STATION HAND

Due to retirement, the opportunity has become available for a full time station hand to join the team on a family owned and operated 14,000 acre cattle breeding enterprise, situated near Deepwater in the Northern New England Tablelands region of NSW.

We are ideally after an experienced, enthusiastic person who is happy to work with the team as well as individually, dealing with general day-to-day duties over the four properties.

Duties include:

- All aspects of cattle production, including mustering on horses, quads and buggies with dogs.
- Machinery operation and general maintenance.
- Spraying and Fencing.
- Welding would also be an advantage.

You must have your own working dogs, however station horses will be provided.

An attractive salary package based on experience is available, including accommodation.

Please send your resume to tcunich@bigpond.com
