

Farm Manager

Location: Moree/Garah NSW

Remuneration: negotiable based on experience.

Australian Crop Partners manages mixed farming properties for Australian investors. We are currently seeking an experienced and highly motivated person to join our team. This position is permanent and available for immediate commencement.

A well-maintained house is provided as part of the salary package.

Role Requirements:

- Demonstrated operational experience in large scale cropping enterprise.
- Machinery maintenance.
- Maintain and prepare accurate records (paper and online) for the farming enterprise.
- Forklift and HC truck licenses are desirable.
- Have strong mechanical and welding skills.
- A current chemical users' certificate is desirable.
- Own transport and drivers licence is essential.
