

# HANCOCK AGRICULTURE

## Production and Logistics Coordinator | Brisbane, QLD

We have an opening for a full-time Production and Logistics Coordinator to join our operations in the Brisbane CBD office. This role offers a great opportunity to join an exciting, industry leading Agribusiness, with scope for advancement after training and experience.

This role is accountable for coordinating the production, logistics, export and associated documentation across the entire product range, ensuring goods are booked transported and delivered in an accurate, timely and cost-effective manner in line with customer expectations.

### About Hancock Agriculture

Hancock Agriculture, combining Hancock Pastoral, Wagyu Operations & S. Kidman & Co. Pty Ltd, has a long history in agriculture with more than 20 properties across Australia, spanning around six million hectares. With a herd of over 230,000, we are proudly one of the country's largest producers of Wagyu and commercial cattle.

As a combined business, we offer our people the unique opportunity to be part of a vertically integrated supply chain operation, which means we own every step of the process, from breeding, backgrounding, and grain feeding, through to sales of finished product, to ensure the highest standards of animal husbandry, traceability and quality assurance are performed.

Hancock Agriculture provides you a career in an exceptional organisation that is entering an exciting period of change, continued innovation and growth. Be a part of our journey in an organisation you can be proud of and where we value the safety and welfare of our people, animals and environment.

### Key Responsibilities

- Develop and maintain effective working relationships with key suppliers e.g. packers, shipping lines, customs agents, cold stores and customers.
- Schedule livestock movements and production timetable
- Monitor grading and quality specification
- Conduct production yield and cost analysis
- Adapt and innovate product specifications to meet customer demand
- Coordinate transport, export documentation and customs clearance
- Deliver the highest quality product

### Skills and Experience

- Business/Agribusiness degree or similar with experience in the Agriculture sector.
- An understanding of production processes from end to end.
- Ability to identify and assess primal and portion cuts to a specification
- Export documentation or logistics background, will be well regarded
- Demonstrated analytical and problem-solving skills, with strong attention to detail, along with excellent written and verbal communication skills
- High-level proficiency in the Microsoft Office suite
